

Canadian Mental Health Association North and West Vancouver to Receive \$56,000 Funding for Comprehensive Website Upgrade

October 27, 2023 — **The Canadian Mental Health Association (CMHA) North and West Vancouver (NWV)** located on the traditional, ancestral, and unceded territory of the Skwxwú7mesh (Squamish), Səlilwətał (Tsleil-Waututh), and xʷməθkwəyəm (Musqueam) Nations is pleased to announce that it has been selected as the recipient of a \$56,000 funding opportunity from the Government of Canada's Community Services Recovery Fund. This grant will enable CMHA NWV to embark on a transformative and much-needed comprehensive upgrade of its website.

The website upgrade project is set to significantly enhance the user experience, ensuring that it serves as an even more valuable resource for the North Shore community. CMHA NWV's website is a central hub for CMHA news, and information, and an essential gateway to accessing vital mental health services and supports.

We sincerely thank the Government of Canada for supporting organizations dedicated to mental health and community well-being. In addition to the Government of Canada, CMHA NWV extends its heartfelt gratitude to the Community Foundations of Canada and the North Shore Community Foundation for their invaluable contributions.

The Community Services Recovery Fund is a \$400 million investment from the Government of Canada to support community service organizations, including charities, non-profits, and Indigenous governing bodies, as they adapt and modernize their organizations.

As the long-term recovery from the COVID-19 pandemic continues, we welcome the Government of Canada's push for a more inclusive model of economic growth that creates opportunities for everyone in Canada. Now more than ever, community service organizations, including charities, non-profits, and Indigenous governing bodies, play a key role in addressing complex social problems faced by many communities across Canada.
